

# ST. ELIZABETH MEDICAL CENTER

123 Health Way, Medical City, MC 54321  
Department of Hip Replacement Surgery

---

## OFFICIAL MEDICAL RECORD

**Patient Name:** James Wilson  
**Date of Report:** January 08, 2026  
**Procedure Category:** Hip Replacement Surgery

## Clinical Information

**ICD-10 Codes:** M16.11 (Unilateral primary osteoarthritis, right hip)  
**CPT Codes:** 27130 (Arthroplasty, acetabular and proximal femoral replacement; total hip arthroplasty)  
**Estimated Cost:** \$25,000

## Clinical Justification

Severe right hip pain and limited range of motion. Radiographs show bone-on-bone contact and osteophyte formation. Failure of physical therapy and NSAIDs.

## Detailed Treatment Planning

Total hip replacement surgery (right). Anterior approach. Post-operative physical therapy starting day 0. Home health care and equipment for recovery.
